

Release Notes

Software Bundle: 5408183-05A July 2026

A new version of mower software has been released for the affected models:

Model	Serial Range
smart SILENO sense 400	All
smart SILENO sense 450	All
smart SILENO sense 500	All
smart SILENO sense 550	All
smart SILENO sense 600	All
smart SILENO sense 650	All

The software includes the following changes:

- Improved vision-based obstacle detection and object recognition
- FOTA improvements
- Enhanced camera performance under changing light and shadow conditions, water drop detection on camera
- Optimized navigation, area coverage and boundary handling
- Improved behavior around the charging station and during transport routes
- Increased mowing stability, reliability and overall system robustness
- New App settings

We recommend bringing the robotic lawnmower up to date with the latest software update.

Release Notes

Software Bundle: 5487193-04A July 2025

A new version of mower software has been released for the affected models:

Model	Serial Range
smart SILENO free 600	All
smart SILENO free 650	All
smart SILENO free 700	All
smart SILENO free 750	All
smart SILENO free 800	All
smart SILENO free 900	All
smart SILENO free 1000	All
smart SILENO free 1100	All
smart SILENO free 1200	All
smart SILENO free 1500	All

The software includes the following changes:

- Various optimizations for more reliable mower performance in different situations
- Foundation for upcoming new features
- Several bug fixes
- Improved parking behavior
- General map improvements
- Improved Setup process

We recommend bringing the robotic lawnmower up to date with the latest software update.
